Dear Parents/Guardians:

RE: JR. GIRLS' BASKETBALL

We are pleased to once again work together with our connecting school to provide extra-curricular programming to the students of Vermilion Elementary School and J.R. Robson School. We would like to introduce ourselves as coaches and share that our goal is to not only build knowledge and skill in the game of basketball within our players, but to also have a fun and enjoyable season.

As the principal of Vermilion Elementary School. I believe in developing the potential in every child. As a coach, my personal philosophy is to strive to help all players learn and enjoy the game and to find success on the court. I have coached at both the jr. and sr. high levels for the past 22 years and am happy to be able to continue to be involved. I look forward to working with your daughters throughout the basketball season.

Ms. Seymour has helped coach jr. girls' basketball at J.R. Robson in the past and shares much of the same philosophy as I do. She knows many of the girls and parents quite well. We coached the jr. girls' team last year and felt everyone had a very successful season both on and off the court.

If you have any questions or concerns, please feel free to contact us at any time. We can be reached by email (calvin.anhorn@btps.ca or Joanna.seymour@btps.ca or cell phone (CA: 780-581-5147) or (JS: 780-853-7840).

Sincerely,

Calvin Anhorn
Jr. Girls' Basketball Coach

Joanna Seymour
Jr. Girls' Basketball Coach
